Traffic Alert for Tuesday June 27th thru Friday June 30th, 2017

Storm Sewer Pipe and Road Section repairs on West Randolph Road (State Route 10) affecting the eastbound travel lanes only

Hopewell, Virginia Beginning Tuesday morning June 27th thru Friday afternoon June 30th, **starting at 8:30 AM**, both *eastbound lanes* of West Randolph Road – State **Route 10**, between the intersections of N. 6th Avenue to Cawson Street, will be closed to thru traffic. Connecting streets will allow local traffic to gain access to residential zones and local businesses.

The lane closures are necessary to perform emergency storm pipe repairs underneath the eastbound travel lanes.

Advanced warning signs, detour routes and traffic channelizing devices will be in-place to guide vehicular traffic. The detour and restrictions will begin at 8:30 AM and continue until the road section is restored.

Thru traffic may experience minor delays due to the detour routes. Local traffic is encouraged to seek alternate routes during this time.
