

3rd Annual School Supplies Drive

July 23- August 27, 2017

The Family of God Church, First Presbyterian Church, Woodlawn Presbyterian Church, St. John's Episcopal Church, VFW Post 637, and John Randolph Foundation are partnering together to conduct a supplies drive for the teachers at Carter G. Woodson Middle School and Hopewell High School. These teachers often have to pay for teaching supplies out of their own pocket in order to provide the best quality education for our children. Not only do they have to often pay for their teaching supplies, but they are often assuming roles and responsibilities as second parents to many of the students. Our goal is to collect supplies that will assist and support our teachers in order to deliver the best education possible to our students.

*****Our goal is to raise \$6,000 worth of supplies for the teachers at Carter G. Woodson Middle School and Hopewell High School*****
