Introduction of New General Registrar/Director: Norman Shelton was just appointed as our new General Registrar/Director of the City of Hopewell and comes with a long list of experience and dedication in a job in Elections. I can't do him any justice for speaking for him so I'll let him speak for himself and tell you a little bit about him. At this time, Mr. Shelton said he started a few facts about himself and his experience. He thanked everyone for the opportunity for appointment. He answered some personal questions from the attendees. Chair Uzzle said he came highly recommended by several individuals from the State Board of Elections. Vice Chair Mickelson explained that at the Voter Registration for the City of Richmond, Mr. Shelton was responsible for 70 precincts and doing all of the officer of election training and registration. These are some of his qualifications and duties. I'm sure he will very much enjoy all of the officers of elections and working here. Chair Uzzle explained that some of things we now pay for outside help, Mr. Shelton is qualified doing. So that will be a money saver. Feel free to introduce yourself to Mr. Shelton.
