FOR IMMEDIATE RELEASE

October 20, 2021

## **Street Repaving on the Anchor Cove Drive Isles and Eagle Drive access Road Begins Tomorrow**

**Hopewell, Virginia** – Street repaving on the Anchor Cove Drive Isles and Eagle Drive access road will begin on Thursday, October 21st. We apologize for the short notice, but the immediate opportunity arose to get on the contractor's schedule and the City needed to take advantage of the availability.

The first major step in this process is pavement milling. Milling will begin during the morning of Thursday, October 21<sup>st</sup>. The asphalt paving work phase is scheduled to begin on Friday, October 22<sup>nd</sup>. The daily work period will begin at 8:00am and run thru the day until approximately 5:00pm.

All vehicles will need to be removed from the townhouse frontage parking bays during the work hours. Vehicles can park in the nearby open parking bays where no homes have been built. During the work, the middle or northern entrance will remain open to Eagle Drive. Vehicles can return to the frontage parking bays in the evening hours after 5:00pm, but must be removed again on Friday, October 22<sup>nd</sup> by 8:00am. The time period will allow the contractor to complete the paving and/or perform the cleanup work afterwards. Notices will also be placed on traffic cones indicating the project periods.

Dust, noise and some inconveniences should be expected during both the preparation and paving process, therefore, Please Pardon the Dust. Minimal detouring of vehicle traffic will be required.

If you would like more information about the project please contact either the City Engineer (Johnnie Butler) at (804) 541-2319, or the DPW Project Manager (Austin Anderson) at 541-2379. The daily on-site Public Works Inspector is Mr. Tim Bell and he can be reached at 541-2231.
